An Excellent Internet Marketing Tool For Your Business - “Virtually Real”
High resolution 360 degree interactive photography and full screen virtual tours

Epson International Photographers' Pano Awards 2013

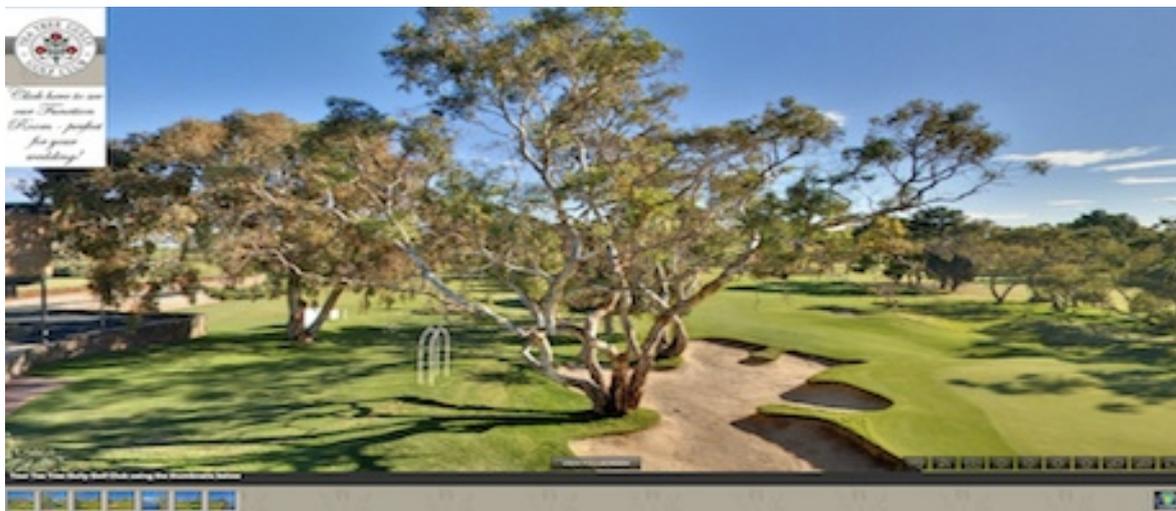

Well done to Chas Adlard, Georama's Operations Manager and main photographer, who was awarded two Bronze Awards in this year's Epson International Photographers' Pano Awards for two megapixel images of the Flinders Ranges in South Australia. Chas has won nine awards in this event in the last three years and hopes to add more in next year's Epson competition.

Tea Tree Gully Golf Club and Wedding/Function Venue

We were recently contracted to produce two interactive virtual tours for Tea Tree Gully Golf Club, one for the golf course and another for Dimples, their beautiful wedding and function venue which overlooks the course. These tours are displayed on the Tea Tree Gully Golf Club website (iPad and iPhone compatible), and we also produced self-playing tours to display on a screen inside the club. We used our new aerial/elevated equipment to photograph the golf course and provide a better view of the facilities available. This is a beautiful venue and well worth visiting to play golf or for your wedding or social function. [See the golf course here](#) or click on the photo below.

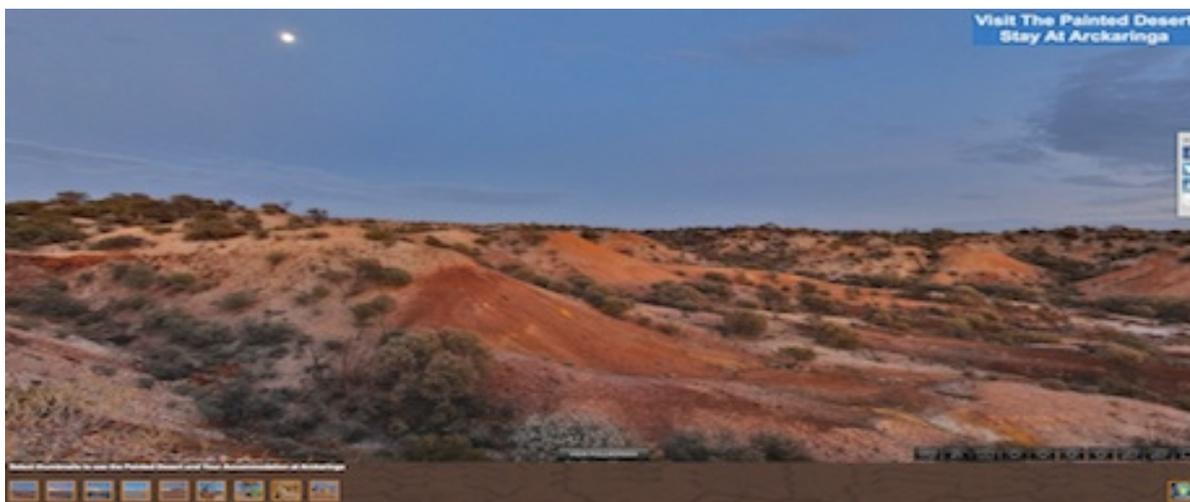

[See Dimples in 360 degrees](#), or click on the photo.

Georama has been 'on the road' again

We love the bush and have covered a few thousand kilometres in the past few months. We spent an enjoyable three days with Lauren, Reg and Wei at Arckaringa Station (despite the flooding rain which resulted in an eventful drive back to Coober Pedy) and produced a virtual tour of the amazing Painted Desert and Arckaringa's comfortable accommodation. [Have a virtual visit to the Painted Desert and Arckaringa Station](#) and then go for a visit!

Beachside Caravan Park Normanville SA

While photographing Deep Creek Conservation Park for ParksSA, we were lucky to find Beachside Caravan Park at Normanville, a lovely peaceful park with a two minute walk over the sand dunes to the beach. So we also produced a virtual tour of the caravan park and its modern facilities for Greg, the owner. Beachside provides great accommodation in Normanville, with modern, comfortable cabins as well as caravan and camping facilities - and so much space! [See aerial views of the caravan park](#) then [have a look at the cabins, grounds, barbeque, camp kitchen and facilities.](#)

Other Georama news

Georama CEO Steve is engaged on some exciting new technical developments and some innovative solutions which will add to our range of capabilities in the future. More news on this front later :)

We are enjoying sharing photographs and live chats on our Facebook page. After being on Facebook for three months, we already have 135 fans, so we'd love you to 'like' our page and join us at:

<http://facebook.com/Georama360DegreePhotographyandVirtualTours>

Here's a pic of Chas and our mud-caked Georama vehicle on the road from Arckaringa to Coober Pedy after rain almost washed out the road. The vehicle took quite a while to get clean...

We hope life is going well for you all. We'd love to hear from you so please email us anytime :)

The Georama Team.
